FOR IMMEDIATE RELEASE

ONE-WAY TRAFFIC CONTROL SCHEDULED FOR STATE ROUTE 12

Solano County – The California Department of Transportation (Caltrans) announces that there will be one-way traffic control on State Route 12 near Rio Vista, between Lambie Road and Olsen Road, Tuesday, October 20th through Saturday, October 24th. The hours of work will typically take place between 5:00 p.m. to 5:00 a.m. The one-way traffic control will allow the contractor to place k-rail on the shoulder of the westbound lanes to facilitate further construction of the new roadbed.

Vehicles may be stopped on the highway during one-way traffic control while waiting for their turn to proceed through the construction zone. Motorists are asked to drive with extra caution and watch for construction vehicles merging into the lanes of traffic. The speed limit in the construction zone is between 35 mph to 45 mph and traffic fines are doubled. Increased patrol and enforcement from California Highway Patrol Officers is prevalent during construction closures on State Route 12. Please continue to "Slow for the Cone Zone."
